Dear Aharon & Maya,

Congratulations for the Bar Mitzvah of Netanel Yosef. What a lovely and original invitation!
Ehud adds that the boy is a genius (he understands in these matters :))

At this stage with the schedule that we have now, it seems for us impossible to attend.
Things may change as we get closer to the date. If there will be a possibility, we will be more than happy to attend, and we will let you know.

Happiness and success to Netanel and the family,
Ehud & Nili Barak
